

CERTIFICATE

The company

Laboratoire Protec'Som
24 rue du Train Renard
Espace d'Armanville
50700 VALOGNES, FRANCE

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 18-02743

for the following articles:

Textile-based shieldings against allergens used in treatment and prevention of allergies (filtration) : product range « Noxaalon » and « Texaal »:

- Covers of mattresses, duvets and pillows made off cotton, polyester, polyamide and their blends, white
- Filtering caps « Poll'n Cap » made off cotton fabric, white,
- Suit « Protexoderm » made off cotton, polyester, polyamide and their blends, white

**May contain accessories OEKO-TEX® certified (woven composition labels, zips, sewing yarns, elastics).
Partly made from already-certified raw materials according to STANDARD 100 by OEKO-TEX®.**

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate CQ 939/1 is valid until 31.10.2019

Lyon, 30.11.2018
